Green Bay, WI - Elton John is to appear live in Green Bay in April. Although no stranger to Wisconsin, this will be the first time in seven years that Elton has played a concert in Green Bay. The concert will take place on Saturday, April 17, 2010, at 8PM at the Resch Center. Elton and his band will perform their 'Rocket Man –the Greatest Hits Live' concert, featuring number one chart hits and classic album tracks from throughout Elton's incredible five-decade career.

Elton's band comprises Davey Johnstone on guitar, Bob Birch on bass, John Mahon on percussion, Nigel Olsson on drums and Kim Bullard on keyboards. One of the most successful live acts on the road today, Elton and his band put on the kind of show you never forget: the entire audience standing, dancing and singing along with much-loved classic songs such as "Your Song", "Daniel", "Rocket Man", "Bennie and the Jets" and many, many more.

"We are thrilled to have Elton John return to the Resch Center," said Ken Wachter, President of PMI Entertainment Group, the management company of the Resch Center. "His 2003 performance here still holds the record for the highest attended concert in our eight-year-old arena. He is truly one of the greatest performers of our time and we are excited he will again be coming to Green Bay."

The monumental career of international singer/songwriter and performer Elton John spans five decades. He is one of the top-selling solo artists of all time, with 35 gold and 25 platinum albums, 29 consecutive Top 40 hits, and he has sold more than 250 million records worldwide. John holds the record for the biggest selling single of all time, "Candle in the Wind '97," which sold 37 million copies. Since his career began in 1969 he has played almost 3,000 concerts worldwide.
